

Invitation to Kickoff Meeting February 7, 2017

Sustainable Urbanisation Global Initiative (SUGI)
Food-Water-Energy Nexus call

We invite you to take part in the kickoff for the continued cooperation in the Sustainable Urbanisation Global Initiative (SUGI) Food-Water-Energy Nexus call.

At the kickoff meeting representatives from JPI Urban Europe and Belmont Forum present their organizations and participation in the call organization. In addition, the European Commission and a member of the European Parliament will make introductions to the call and the kickoff meeting.

Furthermore, this is the opportunity to discuss lessons learned so far in the project and discuss the project in whole. There will also be presentations on the strategies in the call: Evaluation, Monitoring and Communication and Dissemination by the respective work package leaders.

Welcome!
