Identify social needs & opportunities

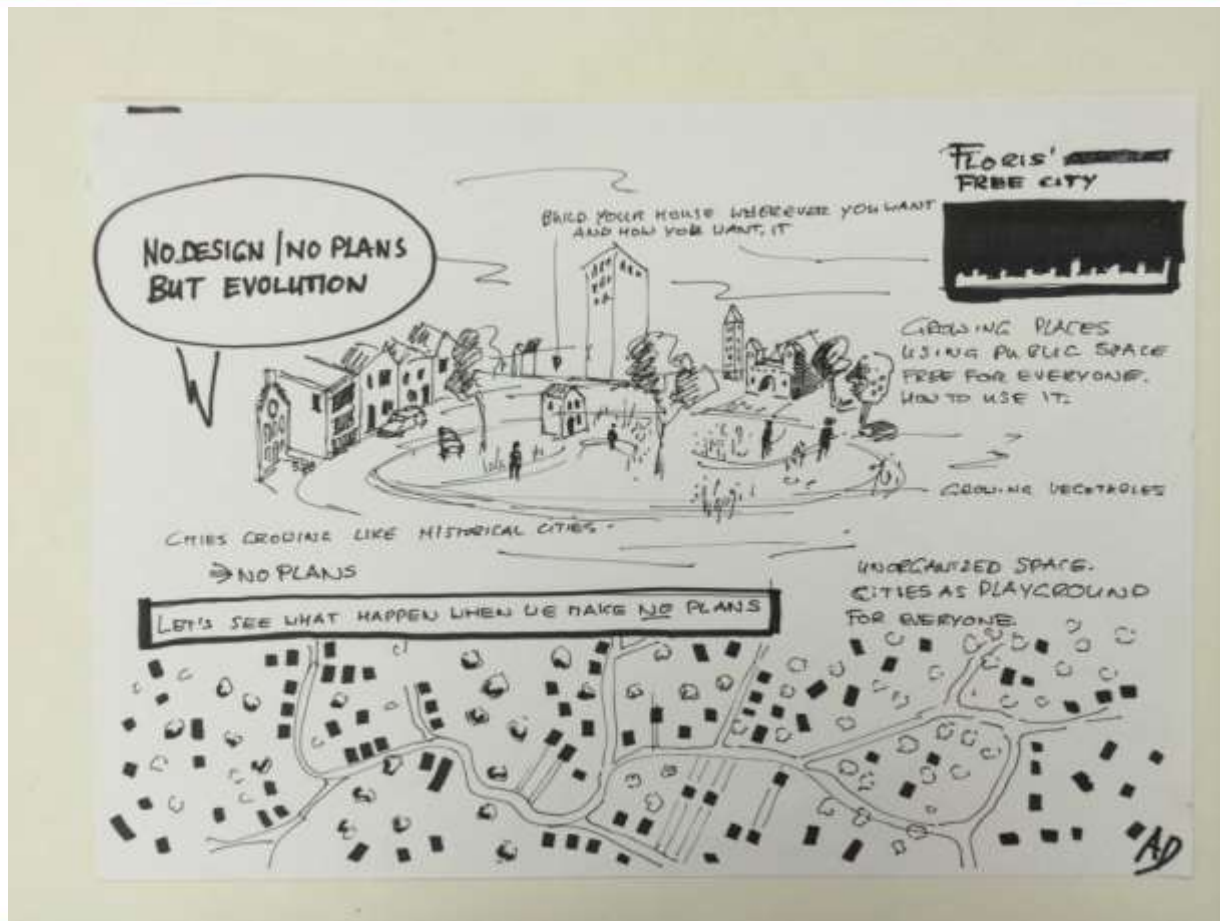

Identify social needs & opportunities

Use the insights and SEiSMiC networks to

Mobilise a wide variety of urban actors, in particular civil society

Countries	Network	Active members
Austria	85	30
Belgium	40	19
Czech Republic	70	45
Germany	80	35
Hungary	120	30
Italy	60	30
Netherlands	80	30
Sweden	80	25
Turkey	55	22
United Kingdom	60	30
Total	730	296

Results so far

- National working groups around a topic, idea, solution
- A few transnational working groups (e.g. SIAC)
- Discovery and further development of new approaches and methods (e.g. SIAC)
- Transnational learning and network development (e.g. SIAC)
- Conclusions for EU urban research
- Conclusions for EU policy

Thank you for your attention!
