--

Website: https://www.hioa.no/eng/About-HiOA/Centre-for-Welfare-and-Labour-Research/AFI
--

The Work Research Institute (AFI) is a social science institute performing multidisciplinary, action-oriented research. The institute is especially concerned with forms of organization and leadership which promote the collective ability to learn, cooperate and adapt, and thereby create a better working environment.
--

The programmes are formed in close collaboration with Norwegian business and industry, both in the public and private sector, as well as with national and international research institutions. The institute also carries out short-term projects for organizations, companies, government agencies and other public bodies.
