Projects: www.synyo.com/projects/

Description of the organisation

SYNYO is a **reliable partner for your project** with profound experience in various research programmes like **Horizon 2020, Urban Europe etc.** As a SME located in Vienna, Austria, we are focusing on research, innovation and technology. We explore, develop and implement new methods and solutions with a particular focus on tackling the core challenges of our time.

SYNYO supports you to create excellent outcomes in upcoming research and innovation projects by using state-of-the-art approaches, modern technologies and efficient software frameworks. The **interdisciplinary team** of **SYNYO** consists of **social scientists, engineers, developers** and **creatives**, who are experienced in delivering high-impact results for all phases of collaborative projects.

SYNYO uses **established tools** and **self-designed frameworks** to implement, communicate, disseminate, and exploit your project in the best way. Additionally, we have proven our **management capabilities** as the coordinator of several FP7 and H2020 projects, which received excellent evaluations and made it to best practice listings by the EC.

SYNYO is aware on the procedures of the Joint Programming Initiative **Urban Europe** and successfully coordinated the project **UrbanData2Decide** with research partners, institutes, and cities across Europe.

During the upcoming call we are willed to join strong consortia as partner.
