

Exhibition Guide for #DUT2020

We are delighted to welcome a variety of partners from our stakeholder involvement platform and supported projects to the JPI Urban Europe Policy Conference exhibition. In the exhibition area you can explore and connect with participants on topics around urban transitioning and governance.

Cities of Making**

#DUT2020

The projects in the exhibition area are supported via a variety of different calls in JPI Urban Europe, namely:

- Sustainable and Liveable Cities and Urban Areas (2018)
- Making Cities Work (2017)
- Sustainable Urbanisation Global Initiative (SUGI)/Food-Water-Energy Nexus (2016)
- ERA-NET Cofund Smart Urban Futures Call (ENSUF) (2015)

#DUT2020

**The recently finalised
Smart Urban Futures call
(ENSUF) just launched an
overview of policy
recommendations on the JPI
Urban Europe web.**
