

Co-Creating Working Cities

The Business of Augmenting Democracy

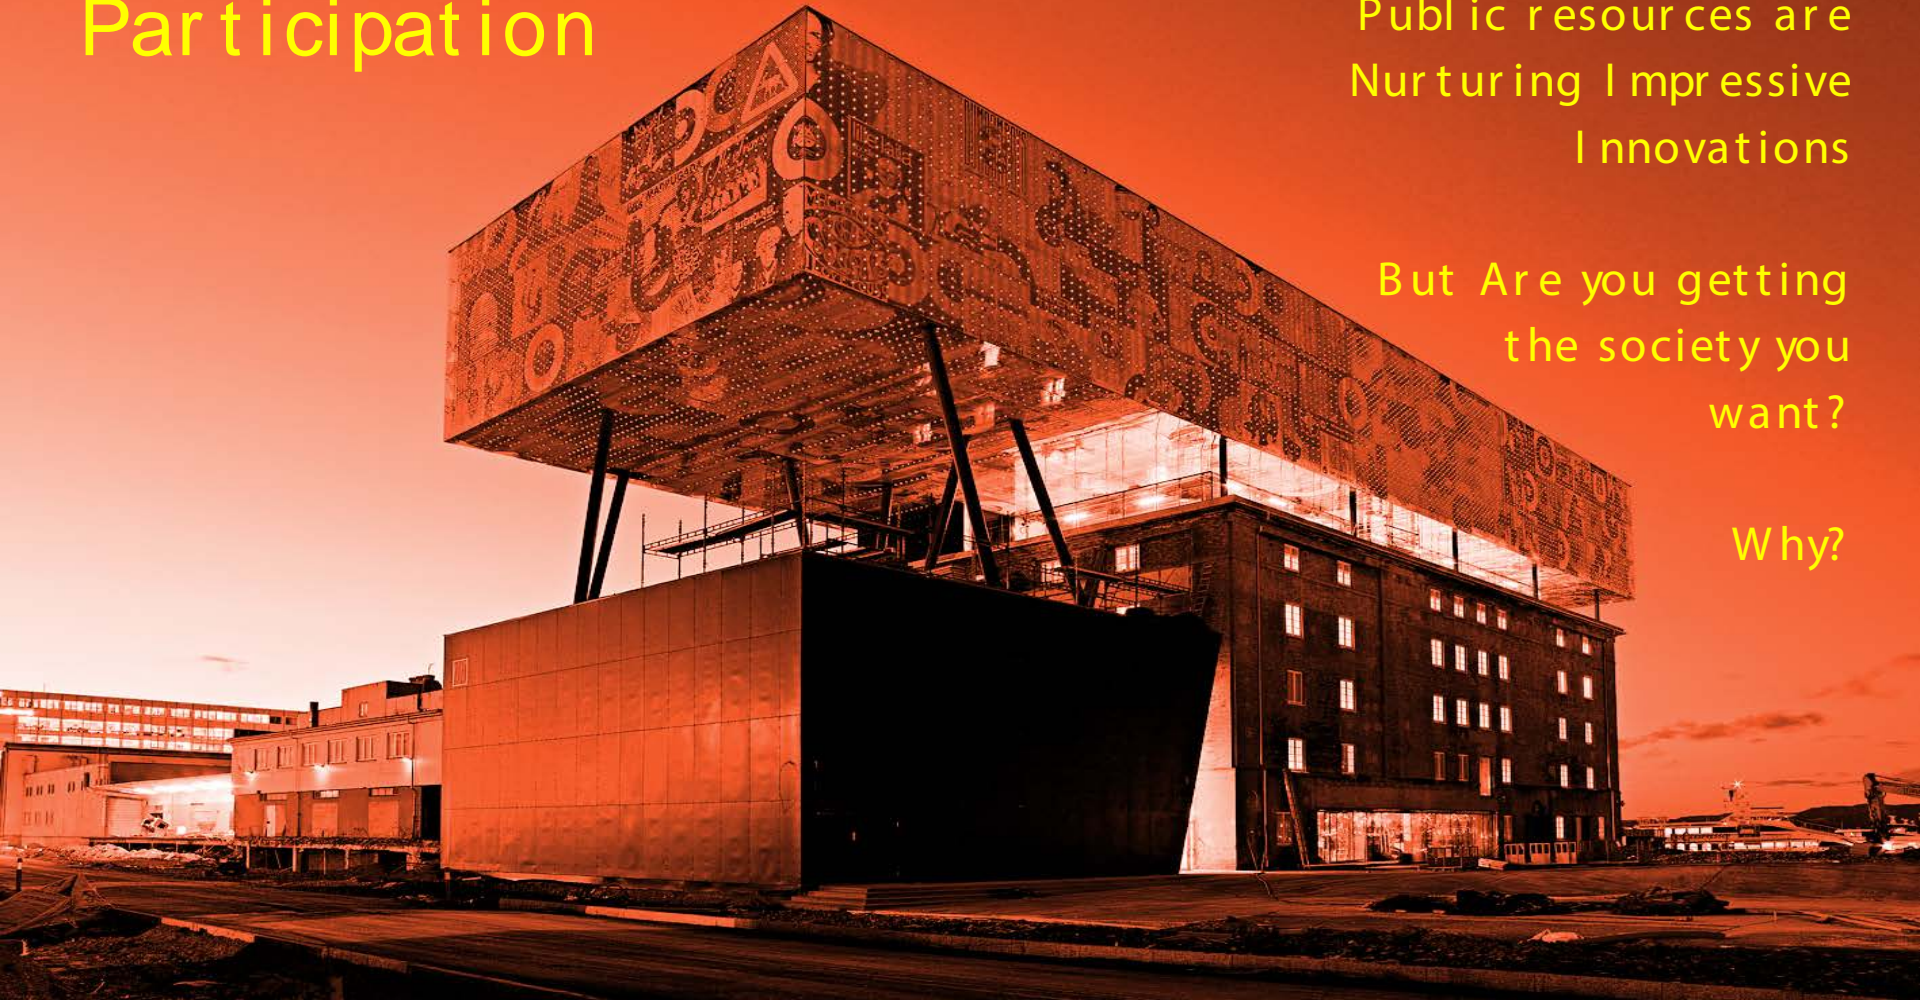

Participation

Public resources are
Nurturing Impressive
Innovations

But Are you getting
the society you
want?

Why?

What matter s ?

Giving

Loving

LEarning

Moving

Sensing

City 3.0

How do you,
the citizen,
Make it on Stage?

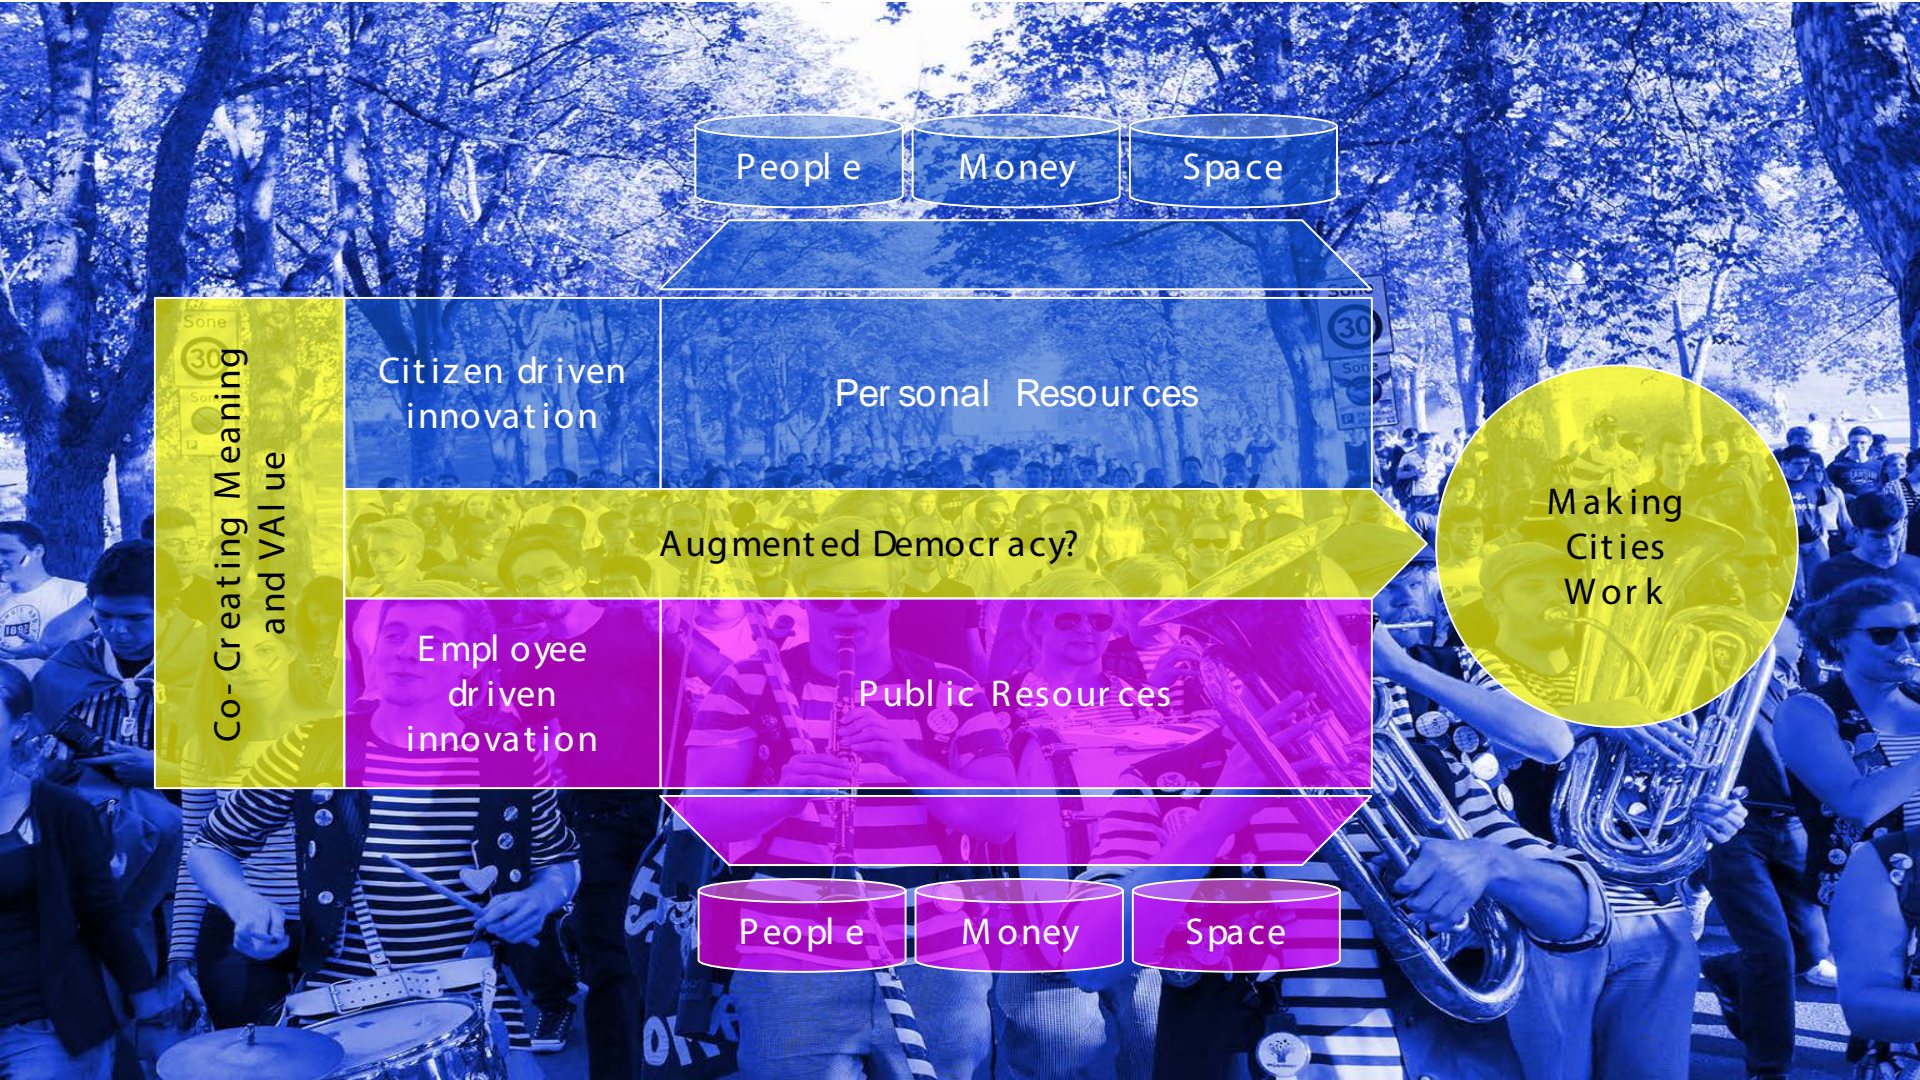

Augmented Democracy

Are You Capable of Acting on
Your Hopes and Aspirations?

Creating Shared Meaning and
Value Across Your Community?

People

Money

Space

Co-Creating Meaning
and Value

Citizen driven
innovation

Personal Resources

Augmented Democracy?

Employee
driven
innovation

Public Resources

Making
Cities
Work

People

Money

Space

Business Opportunities

Can You Help other Citizens realize their Contribution?

Letting them see how they can make a difference?

Augmenting Democracy in Trondheim

Transforming the harbour
area into a thriving community
For creative industries

Using Open Data and
Crowdsourcing to map and
share resources

Making it Easier For Citizens
to Appreciate The Scope for
Shared Value Creation

We Want to
Realize Your
Potential

How Can You
Help Us
Augment
Democracy !

Thank you!
