

Smart City Wien Challenge

Monitoring Smart City Performance on neighbourhood level and its contribution to the cities Smart City objectives

Brokerage Event for JPI urban Europe Call:
Making Cities Work
Brussels 30th May 2017

Ina Homeier
City of Vienna – Urban Development & Planning
Smart City Wien Unit

great
Plan
man!

it will
reduce lots of
CO₂, energy
Consumption will
go down down down
etc, etc...

But who
is to
implement it?!

Oh,
not me,
not me!!
