Questions for investigation and elaboration in groups

- Comparing your projects – do you see similarities and differences in your “take on/understanding of” the FWE – Nexus approach and how it is implemented in your SUGI projects?
- What are the potential synergies and/or dilemmas in a systemic approach to food, water and energy in an urban context?
- Are there genuine conflicts and challenges anticipated in your specific SUGI projects?
- Can you identify shared interests and/or possible topics for potential cooperation?
