

# Project extensions and reporting requirements

Johannes Bockstefl, FFG, SUGI Call Secretariat

Nb Questions and answers in the chat

# SUGI Project Extensions – State of Play

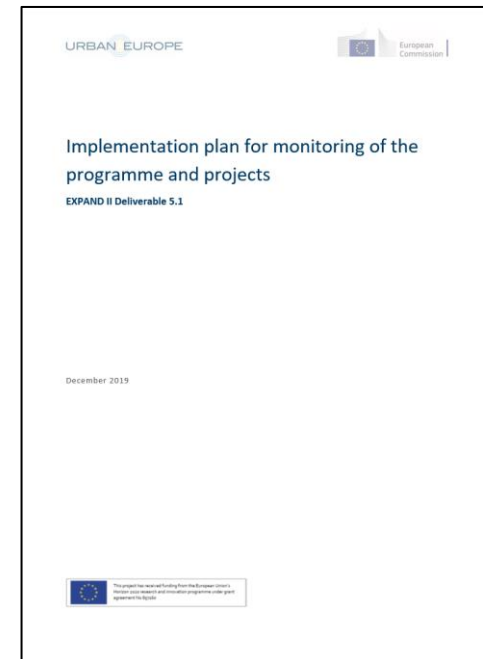

Blue: Original project runtime; Orange: Project extension.

# Project Extensions due to COVID-19

- Call Management Team is very much aware of the COVID-19 impacts on project progress
- Under the current circumstances and because of the European ERA-NET funding scheme, project extensions can be granted **up to a maximum of 6 months**
- Please get in touch with the Call Secretariat:

# Reporting

- **1. Transnational reporting**
  - JPI Urban Europe developed an **implementation plan** for programme and project monitoring in 2019
  - After consultation with the BF, reporting via BFgo has been changed accordingly
  - **3<sup>rd</sup> transnational report** will be due mid-June 2021
  - **4<sup>th</sup> (final) transnational report** for remaining project runtime after June 2021
  - 3<sup>rd</sup> / 4<sup>th</sup> report will comprise additional questions related to project finalisation, innovation and impact creation

# Reporting

- **2. National reporting**
  - The funding obligations on national level are specified in the contracts of the project partners with their respective national/regional funding agencies.
