Organisation name and location: Reġjun Tramuntana

Contact person: Elisa Frosi

E-mail: elisa.frosi@gov.mt

Website: <https://regjuntramuntana.org/?lang=mt#>

Description of the organisation (max. 100 words):

Reġjun Tramuntana is a regional public entity composed by 9 municipalities and located in the North of Malta.

The functions of our region can be summarized as following:

- the issuance of a call for tenders for the service to local councils within them for waste management

- research and report of social impact evaluation

- the provision of assistance to local councils within the region

- the provision of assistance to local councils within the region to benefit and successfully manage the programmes which are funded by the EU

- the provision of subsidy to students for researches regarding aspects relating to the region

- the coordination with local councils of sports and physical activities

- the coordination with ministries, departments and Government entities to facilitate the work of local councils

-to give an opinion regarding the Local Plan
-the preparation , on annual basis of a Work Plan which includes the Region s financial Needs and Human Resources
-many others competencies related to urban areas determined on yearly basis (such as sportive installations , water management studies or social regional researches , nudging active Travel Project ecc...)
We are interested in joining a project preferably under theme 1 but the needs of our area covers both themes.
We could play a part in the project the application of the research and or in the implementation phase.
