# ACUTE

Accessibility and Connectivity knowledge hub for  
Urban Transformation in Europe

URBAN  EUROPE

This project is supported by the European Commission and funded under the Horizon 2020 ERA-NET Cofund scheme under grant agreement N° 875022

- Programm: JPI Urban Europe
- Call: ERA-NET Cofund Urban Accessibility and Connectivity
- 12 partners from AT, SE, LV, FR, UK
- Time frame 11/22 – 10/24

## PARTNERS

- University of Natural Resources and Life Sciences, Institute of Production and Logistics / h2 projekt.beratung KG, Austria - Coordinator (BOKU / h2pro)
- Université Gustave Eiffel, France (UEiffel)
- Cerema - Centre for Studies and Expertise on Risks, the Environment, Mobility and Urban Planning, France
- Latvia University of Life Sciences and Technologies, Latvia (LBTU)
- University of Latvia, Latvia (LU)
- RISE - Research Institutes of Sweden, Sweden
- University of Westminster, United Kingdom (UoW)
- Malmö University, Sweden
- Graz Energy Agency, Austria
- VTI/Sweden's national centre for research and education on public transport (K2), Sweden
- University of Innsbruck, Department of Infrastructure, Unit of Intelligent Transport Systems, Austria

## GOALS

- Establishing a Knowledge Hub for EN-UAC projects;
- Overcome the fragmentation of findings and experiences;
- Space for stakeholder exchange and co-creation;
- Enable cross-project cooperation; consolidate and synthesise knowledge;
- Support practitioners and the mainstreaming of research results;
- Provide strategic support for Program “Driving Urban Transitions”;

# WORKPACKAGES AND TIMELINE

Phase / Duration of the action (in months)		1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24
<b>WP 0: Project Coordination and Management</b>	<b>BOKU/UEiffel</b>																								
0.1 Administration and communication	BOKU/UEiffel																								
0.2 Management and controlling	BOKU/UEiffel																								
0.3 Reporting and accounting coordination	BOKU/UEiffel																								
<b>WP 1: ENUAC Cross-research Community</b>	<b>UoW/UEiffel</b>																								
1.1 Research projects mapping	UoW																								
1.2 Research community networking	UEiffel																								
1.3 EN-UAC cross-research community	UoW																								
<b>WP 2: Research Synthesis</b>	<b>RISE/MaU</b>																								
2.1 Basic List	RISE/MaU																								
2.2 Method of Analysis	RISE/MaU																								
2.3 Cross-project Analysis	RISE/MaU																								
2.4 Synthesis report	RISE/MaU																								
<b>WP 3: Practitioner Interaction</b>	<b>GEA/Cerema/K2</b>																								
3.1 Outreach and engagement plan	GEA																								
3.2 Framework for needs assessment	Cerema																								
3.3 Cooperation with practitioners	GEA																								
3.4 National pilot Workshops	Cerema																								
3.5 Elaboration of frameworks	K2																								
<b>WP 4: Strategic Support for DUT</b>	<b>LLU/LU</b>																								
4.1 Identification of needs of programme bodies	LLU/LU																								
4.2 Workshops with programme bodies, practitioners and experts	LLU/LU																								
<b>WP 5: Future of the Knowledge Hub</b>	<b>LU/BOKU</b>																								
5.1 Identifying incentives and (Added) Value Creation	LU																								
5.2 Future Knowledge Hub Scenarios	BOKU																								
5.3 Identifying organisation (forms)	LU

## CONSORTIUM INVOLVEMENT IN RUNNING ENUAC PROJECTS

- **ASAP:** BOKU, h2pro
- **CATAPULT:** RISE
- **EX-TRA:** UoW
- **GeoSence:** RISE, UoW
- **MyFairShare:** LU, LBTU
- **SORTEDMOBILITY:** UEiffel
