

# Matchmaking event for BTC ENUTC Call

Call for Research and Building Transformation Capacities through arts and design  
**Unlocking the full potential for urban transitions**

20230306

# Agenda – Matchmaking event

- Welcome and presentation of your national contact points.
- Short summary: requests on applicants
- Matchmaking with B2Match
- How to build a consortium and a proposal with B2Match
- ?Questions?

# Requests on applicants

- One main applicant (project member) is sending in the proposal to the international submission platform: [UDiManager by UEFISCDI \(uefiscdi-direct.ro\)](https://uefiscdi-direct.ro)
- Each proposal has at **least** two applicants (project members) applying funding from two of the following seven countries:  
Belgium, Bulgaria, Latvia,  
Netherlands, Poland, Romania,  
Sweden

# Requests on projects

- The projects are running for two years: start November 2023
- The projects can have more applicants/project members from the seven countries and project members from other countries participating with in-kind funding.
- The projects should have at least one project member from the cultural and creative sector.

# Requests on projects

We look for

- Cross-sectorial projects
- Projects involving neighbourhoods and community organisation

# Purpose of the call

Project contributes to impact creation and implementation that build urban transformation capacities inspired by the new perspectives, methodologies and approaches connected to the EU initiatives:

the New European Bauhaus and the EU Mission: Climate Neutral and Smart Cities.

Focus on design, form architecture, art and cultural heritage and new forms of governance and collaboration, as well as by engaging citizens

# Call Topics – at least one, but can be combined

- Topic 1: Experimentation and co-creation for a beautiful and sustainable urban future
- Topic 2: Transformation to sustainable cities / urban transformation
- Topic 3: Designing Inclusive, Liveable and Green Neighbourhoods

Connect projects to:

beautiful | sustainable | together

The New European Bauhaus is a creative and interdisciplinary initiative that connects the [European Green Deal](#) to our living spaces and experiences.

[Climate-neutral and smart cities \(europa.eu\)](#)
